## ADHYĀYA 1

**d**ara ke rajy ke doosare varsha ke attven maheene men jakaryah bhavishyadvkta ke pas jo berekyah ka putra aur io ka pota tha, yahova ka yah vachan pahuncha:

<sup>2</sup> yahova tum logon ke purakhaon se bahut hee krodhait hua tha.

<sup>3</sup> isaliye too in logon se kah, senaon ka yahova yon kahata haai: tum merree or firo, senaon ke yahova kee yahee vanee haai, tab maain tumharee or firoonga, senaon ke yahova ka yahee vachan haai.

<sup>4</sup> apane purakhaon ke saman n bano, un se to agale bhavishyadvkta yah pukar pukarakar kahate the ki senaon ka yahova yon kahata haai, apane bure margon se, aur apane bure kamon se firo parantu unhon ne n to suna, aur n merree or dhyan diya, yahova kee yahee vanee haai.

<sup>5</sup> tumhare purakha kahan rahe? aur bhvishyadvkta kya sada jeeavit rahate haain?

<sup>6</sup> parantu mere vachan aur merree agyaaaen jin ko maain ne apane das naabiyon ko diya tha, kya ve tumhare purakhaon par pooree n hui? tab unhon ne man firaya aur kaha, senaon ke yahova ne hamare chalachalan aur kamon ke anusar ham se jaaisa vyavahar karane ko kaha tha, vaaisa hee us ne ham ko badala diya haai..

<sup>7</sup> dara ke doosare varsha ke shabat nam gyarahaven maheene ke chaubeesaven din ko jakaryah nabee ke pas jo berekyah ka putra aur io ka pota tha, yahova ka vachan yon pahuncha:

<sup>8</sup> maain ne rat ko svapn men kya dekha ki aek puroosh lal ghaede par chaddha hua un menhadiyon ke beech khda haai jo neeche sthan men haai, aur usake peechhe lal aur surang aur shvet ghaede bhee khde haain.

<sup>9</sup> tab maain ne kaha, he mere prabhu ye kaun haain? tab jo doot mujh se baten karata tha, us ne mujh se kaha, maain tujhe bataunga ki ye kaun haain.

<sup>10</sup> fir jo puroosh menhadiyon ke beech khda tha, us ne kaha, yah ve haain jin ko yahova ne prathvee par saair arthata dhoomane ke liye bheja haai.

<sup>11</sup> tab unhon ne yahova ke us doot se jo menhadiyon ke beech khda tha, kaha, ham ne prathvee par saair kiya haai, aur kya dekha ki saree prathvee men shaantai aur chaain haai.

<sup>12</sup> tab yahova ke doot ne kaha, he senaon ke yahova, too jo yarooshalem aur yahooda ke nagaron par sattr varsha se krodhait haai, so too un par kab tak daya n karega?

<sup>13</sup> aur yahova ne uttr men us doot se jo mujh se baten karata tha, achchhee achchhee aur shaaantai kee baten kaheen.

<sup>14</sup> tab jo doot mujh se baten karata tha, us ne mujh se kaha, too pukarakar kah ki senaon ka yahova yon kahata haai, mujhe yarooshalem aur siyyon ke liye badee jalan hui haai.

- <sup>15</sup> aur jo jaatiyan sukh se rahatee haai, un se maain krodhait hoon kyonki maain ne to thoda se krodha kiya tha, parantu unhon ne vipaati ko baddha diya.
- <sup>16</sup> is karan yahova yon kahata haai, ab maain daya karake yarooshalem ko lautt aya hoon mera bhvan us men banega, aur yarooshalem par napane kee doree dalee jaaegee, senaon ke yahova kee yahee vanee haai.
- <sup>17</sup> fir yah bhee pukarakar kah ki senaon ka yahova yon kahata haai, mere nagar fir uttm vastuon se bhr jaaenge, aur yahova fir siyyon ko shaaantai dega aur yarooshalem ko fir apana ttharaaega..
- <sup>18</sup> fir maain ne jo ankhen uttai, to kya dekha ki char seeng haain.
- <sup>19</sup> tab jo doot mujh se baten karata tha, us se maain ne poochha, ye kya haain? us ne mujh se kaha, ye ve hee seeng haai, jinhon ne yahooda aur israael aur yarooshalem ko titara-abitar kiya haai.
- <sup>20</sup> fir yahova ne mujhe char lohar dikhaae.
- <sup>21</sup> tab maain ne poochha, ye kya karane ko aae haain? us ne kaha, ye ve hee seeng haai, jinhon ne yahooda ko aeesa titara-abitar kiya ki koi sir n utta saka parantu ye log unhen bhgane ke liye aur un jaatiyon ke seengon ko katt dalane ke liye aae haain jinhon ne yahooda ke desh ko titara-abitar karane ke liye unake virooddh apane apane seeng uttaae the..

## ADHYĀYA 2

- f**ir maain ne ankhen uttain to kya dekha, ki hath men napane kee doree liae huae aek puroosh haai.
- <sup>2</sup> tab maain ne us se poochha, too kahan jata haai? us ne mujh se kaha, yarooshalem ko napane jata hoon ki dekoon usakee chaudai kitanee, aur lambai kitanee haai.
- <sup>3</sup> tab maain ne kya dekha, ki jo doot mujh se baten karata tha vah chala gaya, aur doosara doot us se milane ke liye akar,
- <sup>4</sup> us se kahata haai, daudkar us javan se kah, yarooshalem manushyon aur gharaailoo pashuon kee bahutayat ke mare shaharapanah ke bahar bahar bhee basegee.
- <sup>5</sup> aur yahova kee yah vanee haai, ki maain ap usake charon or ag kee se shaharapanah ttharoonga, aur usake beech men tejomay hokar dikhai doonga..
- <sup>6</sup> yahova kee yah vanee haai, dekho, suno uttr ke desh men se bhag jao, kyonki maain ne tum ko akash kee charon vayuon ke saman titar bitar kiya haai.
- <sup>7</sup> he babulavalee jaati ke sang rahanevalee, siyyon ko bachakar nikal bhaga!
- <sup>8</sup> kyonaki senaon ka yahova yon kahata haai, us tel ke pragatt hone ke bad us ne mujhe un jatiyon ke pas bheja haai jo tumhen loottee thee, kyonki jo tum ko choota haai, vah meree ankh kee putalee hee ko choota haai.
- <sup>9</sup> dekho, maain apana hath un par uttaunga, tab ve unheen se lootte jaaenge jo unake das huae the. tab tum janoge ki senaon ke yahova ne mujhe bheja haai.
- <sup>10</sup> he siyyon, unche svar se ga aur anand kar, kyonaki dekh, maain akar tere beech men nivas karoonga, yahova kee yahee vanee haai.
- <sup>11</sup> us samay bahut see jaatiyan yahova se mil jaengee, aur meree praja ho jaengee aur maain tere beech men bas karoonga,
- <sup>12</sup> aur too janegee ki senaon ke yahova ne mujhe tere pas bhej diya haai. aur yahova yahooda ko paavitra desh men apana bhag kar lega, aur yarooshalem ko fir apana

ttharaaega..

<sup>13</sup> he sab praanaiyon! yahova ke samhane chupake raho kyonki vah jagakar apane pavitra nivasasthan se nikala haai..

## ADHYĀYA 3

**f**ir us ne yahoshoo mahayajak ko yahova ke doot ke samhane khda hua mujhe dikhaya, aur shautan usakee daahinee or usaka virodha karane ko khda tha.

<sup>2</sup> tab yahova ne shautan se kaha, he shautan yahova tujh ko ghaudke! yahova jo yarooshalem ko apana leta haai, vahee tujhe ghaudke! kya yah ag se nikalee hui lukattee see naheen haai?

<sup>3</sup> us samay yahoshoo to doot ke samhane maaila vasr paahine huae khda tha.

<sup>4</sup> tab doot ne un se jo samhane khde the kaha, isake ye maaile vasr utaro. fir us ne us se kaha, dek, maain ne tera adharma door kiya haai, aur maain tujhe sundar vasr paahina deta hoon.

<sup>5</sup> tab maain ne kaha, isake sir par aek shuuddh pagadee rakhee jaae. aur unhon ne usake sir par yajak ke yogy shuuddh pagadee rakhee, aur usako vasr pahinaae us samay yahova ka doot pas khda raha..

<sup>6</sup> tab yahova ke doot ne yahoshoo ko chitakar kaha,

<sup>7</sup> senaon ka yahova tujh se yon kahata haai: yadi too mere magorn par chale, aur jo kuchh maain ne tujhe saunp diya haai usakee raksha kare, to too mere bhvan ka nyayee, aur mere anganon ka rakshak hoga aur maain tujh ko inake beech men ane jane doonga jo pas khde haain.

<sup>8</sup> he yaheashoo mahayajak, too sun le, aur tere bhaibandha jo tere samhane khde haain ve bhee sune, kyonki ve manushy shuubh shakun haain: suno, maain apane das shaakh ko pragatt karoonga.

<sup>9</sup> us patthr ko dekh jise maain ne yahoshoo ke age rakha haai, us ek hee patthr ke upar sat ankhen banee haai, senaon ke yahova kee yah vanee haai, dekh maain us patthr par khod deta hoo, aur is desh ke adharma ko ek hee din men door kar doonga.

<sup>10</sup> usee din tum apane apane bhaibandhauon ko dakhlata aur anjeer ke vraksha ke neeche ane ke liye bulaoge, senaon ke yahova kee yahee vanee haai..

## ADHYĀYA 4

**f**ir jo doot mujh se baten karata tha, us ne akar mujhe aesa jagaya jaisa koi neend se jagaya jaae.

<sup>2</sup> aur us ne mujh se poochha, tujhe kya dekh padta haai? maain ne kaha, aek deevatt haai, jo sampoon sone kee haai, aur usaka kattora usakee chottee par haai, aur us par usake sat deepak haai jin ke upar battee ke liye sat sat naaliyan haain.

<sup>3</sup> aur deevatt ke pas jalapai ke do vraksha haai, aek us kattore kee dahinee or, aur doosara usakee bain ora.

<sup>4</sup> tab maain ne us doot se jo mujh se baten karata tha, poochha, he mere prabhu, ye kya haain?

<sup>5</sup> jo doot mujh se baten karata tha, us ne mujh ko uttr diya, kya too naheen janata ki ye kya haain? maain ne kaha, he mere prabhu maain naheen janata.

<sup>6</sup> tab us ne mujhe uttr dekar kaha, jaroobbabel ke liye yahova ka yah vachan haai: n to bal

se, aur n shaaktai se, parantu mere atma ke dara hoga, mujh senaon ke yahova ka yahee vachan haai.

<sup>7</sup> he bade pahad, too kya haai? jaroobbabel ke samhane too maaidan ho jaaega aur vah chottee ka patthr yah pukarate huae aaega, us par anugrah ho, anugraha!

<sup>8</sup> fir yahova ka yah vachan mere pas pahuncha,

<sup>9</sup> jaroobbabel ne apane hathon se is bhvan kee nev dalee haai, aur vahee apane hathon se usako taaiyar bhee karega. tab too janega ki senaon ke yahova ne mujhe tumhare pas bheja haai.

<sup>10</sup> kyonaki kis ne chhottee baton ke din tuchchh jana haai? yahova apanee in saton ankhon se saree prathvee par draashti karake sahil ko jaroobbabel ke hath men dekhega, aur anandait hoga.

<sup>11</sup> tab maain ne us se fir poochha, ye do jalapai ke vraksha kya haain jo deevatt kee daahinee-bai or haain?

<sup>12</sup> fir maain ne doosaree bar us se poochha, jalapai kee donon daliyen kya haain jo sone kee donon naaliyon ke dara apane men se sonahala tel undelatee haain?

<sup>13</sup> us ne mujh se kaha, kya too naheen janata ki ye kya haain? maain ne kaha, he mere prabhu maain naheen janata.

<sup>14</sup> tab us ne kaha, inaka arth taje tel se bhre huae ve do puroosh haain jo saree prathvee ke parameshvar ke pas hajir rahate haain..

## ADHYĀYA 5

**m**aain ne fir ankhen uttain to kya dekha, ki aek likha hua patra ud raha haai.

<sup>2</sup> doot ne mujh se poochha, tujhe kya dekh padta haai? maain ne kaha, mujhe aek likha hua patra udta hua dekh padta haai, jis kee lambai bees hath aur chaudai das hath kee haai.

<sup>3</sup> tab us ne mujh se kaha, yah vah shaap haai jo is sare desh par padnevala haai kyonki jo koi choree karata haai, vah usakee aek or likhe huae ke anusar maail kee nain nikal diya jaaega aur jo koi shapath khata haai, vah usakee doosaree or likhe huae ke anusar maail kee nain nikal diya jaaega.

<sup>4</sup> senaon ke yahova kee yahee vanee haai, maain usako aeese chalaunga ki vah chor ke ghar men aur mere nam kee joottee shapath khanevale ke ghar men ghausakar tharega, aur usako lakadee aur patthron samet nash kar dega..

<sup>5</sup> tab jo doot mujh se baten karata tha, us ne bahar jakar mujh se kaha, ankhen uttakar dekh ki vah kya vastu nikalee ja rahee haain?

<sup>6</sup> maain ne poochha, vah kya haai? us ne kaha? vah vastu jo nikalee ja rahee haai vah aek aeapa ka nap haai. aur us ne fir kaha, sare desh men logon ka yahee roop haai.

<sup>7</sup> fir maain ne kya dekha ki kikkar bhr shaeesho ka aek battkhra uttaya ja raha haai, aur aek sree haai jo aeapa ke beech men baaittee haai.

<sup>8</sup> aur doot ne kaha, isaka arth dushtta haai. aur us ne us sree ko aeapa ke beech men daba diya, aur shaeesho ke us battkhre ko lekar us se aeapa ka munh ddhanp diya.

<sup>9</sup> tab maain ne ankhen uttai, to kya dekha ki do striyen chalee jatee haain jin ke pankh pavan men faaile huae haai, aur unake pankh lagalag ke se haai, aur ve aeapa ko akash aur prathvee ke beech men udaae liae ja rahee haain.

<sup>10</sup> tab maain ne us doot se jo mujh se baten karata tha, poochha, ki ve aeapa ko kahan liae

jatee haain?

<sup>11</sup> us ne kaha, shainar desh men liae jatee haain ki vahan usake liye ek bhvan banaen aur jab vah taaiyar kiya jaa, tab vah epa vahan apane hee paae par khda kiya jaega..

## ADHYĀYA 6

**m**aain ne fir ankhen uttai, aur kya dekha ki do pahadon ke beech se char rath chale ate haain aur ve pahad peetal ke haain.

<sup>2</sup> paahile rath men lal ghaede aur doore rath men kale,

<sup>3</sup> teesare rath men shvet aur chauthe rath men chitakabare aur badamee ghaede haain.

<sup>4</sup> tab maain ne us doot se jo mujh se baten karata tha, poochha, he mere prabhu, ye kya haain?

<sup>5</sup> doot ne mujh se kaha, ye akash ke charon vayu haain jo saree prathvee ke prabhu ke pas upaasthiat rahate haai, parantu ab nikal aae haain.

<sup>6</sup> jis rath men kale ghaede haai, vah uttr desh kee or jata haai, aur shvet ghaede unake peechhe peechhe chale jate haai, aur chitakabare ghaede daakkhian desh kee or jate haain.

<sup>7</sup> aur badamee ghaedon ne nikalakar chaha ki jakar prathvee par faera karen. so doot ne kaha, jakar prathvee par faera karo. tab ve prathvee par faera karane lage.

<sup>8</sup> tab us ne mujh se pukarakar kaha, dek, ve jo uttr ke desh kee or jate haai, unhon ne vahan mere praan ko ttnda kiya haain..

<sup>9</sup> fir yahova ka yah vachan mere pas pahuncha :

<sup>10</sup> bandhauai ke logon men se, heldaai, tobiyyah aur yadayah se kuchh le aur usee din too sapanyah ke putra yoshaiyah ke ghar men ja jis se ve babul se akar utare haain.

<sup>11</sup> unake hath se sona chandee le, aur mukutt banakar unhen yahosadak ke putra yahoshoo mahayajak ke sir par rakh

<sup>12</sup> aur us se yah kah, senaon ka yahova yon kahata haai, us puroosh ko dekh jis ka nam shaakh haai, vah apane hee sthan se ugakar yahova ke maandair ko banaaega.

<sup>13</sup> vahee yahova ke mandair ko banaaega, aur mahima paaega, aur apane sinhasan par virajaman hokar prabhuta karega. aur usake sinhasan ke pas aek yajak bhee rahega, aur donon ke beech mel kee sammaati hogee.

<sup>14</sup> aur ve mukutt helem, tobiyyah, yadayah, aur sapanyah ke putra hen ko mile, aur ve yahova ke mandair men smaran ke liye bane rahen..

<sup>15</sup> fir door door ke log a akar yahova ke maandair banane men sahayata karenge, aur tum janoge ki senaon ke yahova ne mujhe tumhare pas bheja haai. aur yadi tum man lagakar apane parameshvar yahova kee agyaaon ka palan karo to yah bat pooree hogee..

## ADHYĀYA 7

**f**ir dara raja ke chauthe varsha men kisalev nam nauven maheene ke chauthe din ko, yahova ka vachan jakaryah ke pas pahuncha.

<sup>2</sup> betelavasiyon ne shareser aur regemmelek ko isaliye bheja tha ki yahova se binatee kare,

<sup>3</sup> aur senaon ke yahova ke bhvan ke yajakon se aur bhvishyadvktaon se bhee yah poochhe, kya hamen upavas karake rona chaahiye jaaise ki kitane vasharen se ham panchaven maheene men karate aae haain?

- <sup>4</sup> tab senaon ke yahova ka yah vachan mere pas pahuncha
- <sup>5</sup> sab sadhaaran logon se aur yajakon se kah, ki jab tum in sattr vasharen ke beech panchaven aur sataven maheenon men upavas aur vilap karate the, tab kya tum sachamuch mere hee liye upavas karate the?
- <sup>6</sup> aur jab tum khate-peete ho, to kya tum apane hee liye naheen khate, aur kya tum apane hee liye naheen peete ho?
- <sup>7</sup> kya yah vahee vachan naheen haai, jo yahova agale bhvishyadvktaon ke dara us samay pukarakar kahata raha jab yarooshalem apane charon or ke nagaron samet chaain se basa hua tha, aur dakkhian desh aur neeche ka desh bhee basa hua tha?
- <sup>8</sup> fir yahova ka yah vachan jakaryah ke pas pahuncha, senaon ke yahova ne yon kaha haai,
- <sup>9</sup> khrai se nyay chukana, aur aek doosare ke sath krapa aur daya se kam karana,
- <sup>10</sup> n to vidhava par andhor karata, n anathon par, n paradeshaee par, aur n deen jan para aur n apane apane man men aek doosare kee haani kee kalpana karana.
- <sup>11</sup> parantu unhon ne chitt lagana n chaha, aur hatt kiya, aur apane kanon ko moond liya taaki sun n saken.
- <sup>12</sup> varan unhon ne apane day ko isaliye bajra sa bana liya, ki ve us vyavastha aur us vachanon ko n man saken jinhen senaon ke yahova ne apane atma ke dara agale bhavishyadvktaon se kahala bheja tha. is karan senaon ke yahova kee or se un par bada krodha bhdka.
- <sup>13</sup> aur senaon ke yahova ka yah vachan hua, ki jaise mere pukarane par unhon ne naheen suna, vaaise hee usake pukarane par maain bhee n sunoonga
- <sup>14</sup> varan maain unhen un sab jaatyon ke beech jinhen ve naheen janate, andhaee ke dara titara-abitar kar doonga, aur unaka desh unake peechhe aeese ujad pada rahega ki us men kisee ka ana jana n hoga isee praakar se unhon ne manohar desh ko ujad kar diya..

## ADHYĀYA 8

- f**ir senaon ke yahova ka yah vachan mere pas pahuncha,
- <sup>2</sup> senaon ka yahova yon kahata haai: siyyon ke liye mujhe badee jalan hui varan bahut hee jalajalahatt mujh men utpann hui haai.
- <sup>3</sup> yahova yon kahata haai, maain siyyon men lautt aya hoo, aur yaroosholam ke beech men vas kiae rahoonga, aur yarooshalem kee sachchai ka nagar kahalaaega, aur senaon ke yahova ka parvat, pavitra parvat kahalaaega.
- <sup>4</sup> senaon ka yahova yon kahata haai, yarooshalem ke chaukon men fir booddhe aur booddhiyan bahut ayu kee hone ke kara, apane apane hath men lattee liae huae baaita kareenge.
- <sup>5</sup> aur nagar men chauk khelanevale ladkon aur ladkiyon se bhre rahenge.
- <sup>6</sup> senaon ka yahova yon kahata haai, chahe un dinon men yah bat in bache huon kee draashti men anokhee tthare, parantu kya meree draashti men bhee yah anokhee ttharegee, senaon ke yahova kee yahee vanee haai?
- <sup>7</sup> senaon ka yahova yon kahata haai, dekho, maain apanee praja ka uddhar karake use poorab se aur paachchhim se le aunga
- <sup>8</sup> aur maain unhen le akar yarooshalem ke beech men basaunga aur ve meree praja ttharenge aur maain unaka parameshvar ttharoonga, yah to sachchai aur dharma ke sath

hoga..

<sup>9</sup> senaon ka yahova yon kahata haai, tum in dinon men ye vachan un bhvishyadvktaon ke mukh se sunate ho jo senaon ke yahova ke bhvan kee nev dalane ke samay arthata mandair ke banane ke samay men the.

<sup>10</sup> un dinon ke paahile, n to manushy kee majadooree milatee thee aur n pashu ka bhada, varan satanevalon ke karan n to anevale ko chaain milata tha aur n janevale ko kyonki maain sab manushyon se ek doosare par chaddhai karata tha.

<sup>11</sup> parantu ab maain is praja ke bache huon se aeesea bartav n karoonga jaisa ki agale dinon men karata tha, senaon ke yahova kee yahee vanee haai.

<sup>12</sup> kyonaki ab shaaantai ke samay kee upaj arthata dakhata fala karegeee, prathvee apanee upaj upajaya karegeee, aur akash se os gira karegeee kyonaki maain apanee is praja ke bache huon ko in sab ka adhaikaree kar doonga.

<sup>13</sup> aur he yahooda ke gharane, aur israael ke gharane, jis prakar tum anyajatiyon ke beech shaap ke karan the usee prakar maain tumhara uddhar karoonga, aur tum ashaeesh ke karan hoge. isaaliye tum mat dro, aur n tumhare hath ddheele padne paaen..

<sup>14</sup> kyonaki senaon ka yahova yon kahata haai, jis prakar jab tumhare purakha mujhe ris dilate the, tab maain ne unakee haani karane ke liye ttan liya tha aur fir n pachhtaya,

<sup>15</sup> usee prakar maain ne in dinon men yarooshalem kee aur yahooda ke gharane kee bhlai karane ko ttana haai isaliye tum mat dro.

<sup>16</sup> jo jo kam tumhen karana chaahiye, ve ye haain: aek doosare ke sath saty bola karana, apanee kachahariyon men sachchai ka aur melaamilap kee neeeti ka nyay karana,

<sup>17</sup> aur apane apane man men aek doosare kee hani kee kalpana n karana, aur joottee shapath se praeeti n rakhna, kyonaki in sab kamon se maain dharana karata hoo, yahova kee yahee vanee haai..

<sup>18</sup> fir senaon ke yahova ka yah vachan mere pas pahuncha,

<sup>19</sup> senaon ka yahova yon kahata haai: chautha, panchave, sataven aur dasaven maheene men jo jo upavas ke din hote haai, ve yahooda ke gharane ke liye harsha aur anand aur utsav ke parvon ke din ho jaaegen isaaliye ab tum sachchai aur melaamilap se praeeti rakho..

<sup>20</sup> senaon ka yahova yon kahata haai, aeesea samay anevara haai ki desh desh ke log aur bahut nagaron ke rahanevale aaenge.

<sup>21</sup> aur aek nagar ke rahanevale doosare nagar ke rahanevalon ke pas jakar kahenge, yahova se binatee karane aur senaon ke yahova ko ddoonddhne ke liye chalo maain bhee chaloonga.

<sup>22</sup> bahut se deshaen ke varan samarthee jaatiyon ke log yarooshalem men senaon ke yahova ko ddoonddhne aur yahova se binatee karane ke liye aaenge.

<sup>23</sup> senaon ka yahova yon kahata haai: us dinon men bhanti bhanati kee bhasha bolanevalee sab jaatiyon men se das manushy, aek yahoodaee puroosh ke vasr kee chhor ko yah kahakar pakad lenge, ki, ham tumhare sang chalenge, kyonaki ham ne suna haai ki parameshvar tumhare sath haai..

## ADHYĀYA 9

**h**adraak desh ke vishay men yahova ka kaha hua bharee vachan jo daamishk par bhee padega. kyonki yahova kee drashti manushy jati kee, aur israael ke sab gotraen kee or lagee haai

<sup>2</sup> hamat kee or jo damishk ke nikatt haai, aur sor aur seedon kee or, ye to bahut hee

buaddhmaiana haain.

<sup>3</sup> sor ne apane liye aek gaddh banaya, aur dhooli ke kinakon kee nain chandee, aur sadkon kee keech ke saman chokha sona battor rakha haai.

<sup>4</sup> dekho, parameshvar usako auron ke aadhaikar men kar dega, aur usake ghamand ko todkar samudra men dal dega aur vah nagar ag ka kaur ho jaaega..

<sup>5</sup> yah dekhkar ashakalon drega ajja ko dukh hoga, aur aekron bhee drega, kyonki usakee asha tootteege aur ajja men fir raja n rahega aur ashkalon fir basee n rahegee.

<sup>6</sup> aur ashdod men anajane log basenge isee prakar maain palishtaiyon ke garva ko tooonga.

<sup>7</sup> maain usake munh men se aher ka lohoo aur ghainaunee vastuen nikal doonga, tab un men se jo bacha rahega, vah hamare parameshvar ka jan hoga, aur yahooda men aadhaipaati sa hoga aur aekron ke log yaboosiyon ke saman banenge.

<sup>8</sup> tab maain us sena ke karan jo pas se hokar jaaegee aur fir lautt aegee, apane bhvan ke as pas chhavanee kiae rahoonga, aur koi satanevala fir unake pas se hokar n jaaega, kyonaki maain ye baten ab bhee dekhta hoon..

<sup>9</sup> he siyyon bahut hee magan ho. he yarooshalem jayajayakar kara! kyonki tera raja tere pas aaega vah dharmee aur uddhar paya hua haai, vah deen haai, aur gadahe par varan gadahee ke bachche par chaddha hua aaega.

<sup>10</sup> maain aepraaim ke rath aur yarooshalem ke ghaede nash karoonga aur yuddh ke dhanush tod dale jaaenge, aur vah anyajaatiyon se shaantai kee baten kahega vah samudra se samudra tak aur mahanad se prathvee ke door door ke deshaen tak prabhuta karega..

<sup>11</sup> aur too bhee sun, kyonki meree vacha ke lohoo ke kara, maain ne tere bandaiyon ko bina jal ke gadhe men se ubar liya haai.

<sup>12</sup> he asha dhare huae bandaiyon! gaddh kee or firo maain aj hee batata hoon ki maain tum ko badale men doona sukh doonga.

<sup>13</sup> kyonaki maain ne dhanush kee nain yahooda ko chaddhakar us par teer kee nain aepraaim ko lagaya haai. maain siyyon ke nivaasiyon ko yoonan ke nivaasiyon ke virooddh ubharoonga, aur unhen veer kee talavar sa kar doonga.

<sup>14</sup> tab yahova unake upar dikhai dega, aur usaka teer bijalee kee nain choottega aur parameshvar yahova naraasinga foonkakar dakkhian desh kee see andhaee men hoke chalega.

<sup>15</sup> senaon ka yahova ddhal se unhen bachaaega, aur ve apane shatrauon ka nash karenge, aur unake gofan ke patthron par panv dharenge aur ve peekar aeesa kolahal karenge jaaisa log dakhmadha peekar karate haain aur ve kattore kee nain va vedee ke kone kee nain bhre jaaegen ..
