Adhyāya: 1 2 3 4

## ADHYĀYA 1

**m**aseeh yeeshu ke das paulus aur teemuathaiyus kee or se sab paavitra logon ke nam, jo maseeh yeeshu men hokar filippe meen rahate haai, adhyakshaen aur sevakon sameta.

<sup>2</sup> hamare pita parameshvar aur prabhu yeeshu maseeh kee or se tumhen anugrah aur shaaantai milatee rahe..

<sup>3</sup> maain jab jab tumhen smaran karata hoo, tab tab apane parameshvar ka dhanyavad karata hoon.

<sup>4</sup> aur jab kabhee tum sab ke liye binatee karata hoo, to sada anand ke sath binatee karata hoon.

<sup>5</sup> isaliye, ki tum pahile din se lekar aj tak susamachar ke faailane men mere sahabhagee rahe ho.

<sup>6</sup> aur mujhe is bat ka bhrosa haai, ki jis ne tum men achchha kam arambh kiya haai, vahee use yeeshu maseeh ke din tak poora karega.

<sup>7</sup> uchit haai, ki maain tum sab ke liye aeesea hee vichar karoon kyonki tum mere man men a base ho, aur merree kaaaid men aur susamachar ke liye uttr aur praman dene men tum sab mere sath anugrah men sahabhagee ho.

<sup>8</sup> is men parameshvar mera gavah haai, ki maain maseeh yeeshu kee see praeeti karake tum sab kee lalasa karata hoon.

<sup>9</sup> aur maain yah praarthna karata hoo, ki tumhara praem, gyaan aur sab prakar ke vivek saahit aur bhee baddhta jaae.

<sup>10</sup> yahan tak ki tum uttm se uttm baton ko piri jano, aur maseeh ke din tak sachche bane raho aur ttokar n khao.

<sup>11</sup> aur us dhaarmikata ke fal se jo yeeshu maseeh ke dara hote haai, bhrapoor hote jao jis se parameshvar kee mahima aur stuti hotee rahe..

<sup>12</sup> he bhaiyo, maain chahata hoo, ki tum yah jan lo, ki mujh par jo beeta haai, us se susamachar hee kee baddhtee hui haai.

<sup>13</sup> yahan tak ki kaaaisaree rajy kee saree palattn aur shosh sab logon men yah pragatt ho gaya haai ki maain maseeh ke liye kaaaid hoon.

<sup>14</sup> aur prabhu men jo bhai haai, un men se bahudha mere kaaaid hone ke kara, hiyav bandha kar, parameshvar ka vachan nidhadk sunane ka aur bhee hiyav karate haain.

<sup>15</sup> kitane to dah aur jhgade ke karan maseeh ka prachar karate haain aur kitane bhlee manasa se.

<sup>16</sup> kai aek to yah jan kar ki maain susamachar ke liye uttr dene ko ttharaya gaya hoon praem se prachar karate haain.

- <sup>17</sup> aur kai aek to seedhaai se naheen par virodha se maseeh kee katha sunate haai, yah samajh kar ki merree kaaaid men mere liye klesh utpann karen.
- <sup>18</sup> so kya hua? keval yah, ki har prakar se chahe bahane se, chahe sachchai se, maseeh kee katha sunai jatee haai, aur maain is se anandait hoo, aur anaandait rahoonga bhee.
- <sup>19</sup> kyonaki maain janata hoo, ki tumharee binatee ke dara, aur yeeshu maseeh kee atma ke dan ke dara is ka pratifaal mera uddhar hoga.
- <sup>20</sup> maain to yahee haardik lalasa aur asha rakhta hoo, ki maain kisee bat men laajjait n hou, par jaaise mere prabal sahas ke karan maseeh kee badaai merree deh ke dara sada hotee rahee haai, vaaisa hee ab bhee ho chahe maain jeevit rahoona va mar jaun.
- <sup>21</sup> kyonaki mere liye jeeavit rahana maseeh haai, aur mar jana labh haai.
- <sup>22</sup> par yaadi shareer men jeeavit rahana hee mere kam ke liye labhdayak haai to maain naheen janata, ki kis ko chunoona.
- <sup>23</sup> kyonaki maain donon ke beech adhar men lattka hoon jee to chahata haai ki kooch karake maseeh ke pas ja rahoo, kyonki yah bahut hee achchha haai.
- <sup>24</sup> parantu shareer men rahana tumhare karan aur bhee avashyak haai.
- <sup>25</sup> aur isaliye ki mujhe is ka bhrosa haai so maain janata hoon ki maain jeeavit rahoonga, baran tum sab ke sath rahoonga jis se tum vishvas men draddh hote jao aur us men anandait raho.
- <sup>26</sup> aur jo ghamand tum mere vishay men karate ho, vah mere fir tumhare pas ane se maseeh yeeshu men adhaik baddh jaae.
- <sup>27</sup> keval itana karo ki tumhara chala-chalan maseeh kee susamachar ke yogy ho ki chahe maain akar tumhen dekoo, chahe n bhee au, tumhare vishay men yah sunoo, ki tum aek hee atma men sthiar ho, aur aek chitt hokar susamachar ke vishvas ke liye paarishram karate rahate ho.
- <sup>28</sup> aur kisee bat men virodhaiyon se bhy naheen khate? yah un ke liye vinash ka spasht chihna haai, parantu tumhare liye uddhar ka, aur yah parameshvar kee or se haai.
- <sup>29</sup> kyonaki maseeh ke karan tum par yah anugrah hua ki n keval us par vishvas karo par usake liye dukh bhee uttao.
- <sup>30</sup> aur tumhen vaaisa hee paarishram karana haai, jaaisa tum ne mujhe karate dekha haai, aur ab bhee sunate ho, ki maain vaaisa hee karata hoon..

## ADHYĀYA 2

**S**o yaadi maseeh men kuchh shaantai aur praem se ddhaddhs aur atma kee sahabhagita, aur kuchh karoona aur daya haai.

- <sup>2</sup> to mera yah anand poora karo ki aek man raho aur aek hee praem, aek hee chit, aur aek hee manasa rakho.
- <sup>3</sup> virodha ya joottee badaai ke liye kuchh n karo par deenata se aek doosare ko apane se achchha samajho.
- <sup>4</sup> har aek apanee hee hit kee nahee, baran doosaron kee hit kee bhee chinta kare.
- <sup>5</sup> jaaisa maseeh yeeshu ka svabhav tha vaaisa hee tumhara bhee svabhav ho.
- <sup>6</sup> jis ne parameshvar kee svaroop men hokar bhee parameshvar kee tuly hone ko apane vash men rakhne kee vastu n samajha.
- <sup>7</sup> baran apane ap ko aeesa shoony kar diya, aur das ka svaroop dhaaran kiya, aur manushy kee samanata men ho gaya.
- <sup>8</sup> aur manushy ke roop men pragatt hokar apane ap ko deen kiya, aur yahan tak

agyaakaree raha, ki mratyu, ha, kroos kee mratyu bhee sah lee.

<sup>9</sup> is karan parameshvar ne usako ati mahan bhee kiya, aur usako vah nam diya jo sab namon men shraeshtt haai.

<sup>10</sup> ki jo svarga men aur prathvee par aur jo prathvee ke neeche haai ve sab yeeshu ke nam par ghauttna tteken.

<sup>11</sup> aur parameshvar pita kee maahima ke liye har aek jeebh angeekar kar le ki yeeshu maseeh hee prabhu haai..

<sup>12</sup> so he mere pyaro, jis prakhar tum sada se agyaa manate aae ho, vaaise hee ab bhee n keval mere sath rahate huae par vishosh karake ab mere door rahane par bhee drate aur kanpate huae apane apane uddhar ka kayrya poora karate jao.

<sup>13</sup> kyonaki parameshvar hee haai, jis n apanee suichchha nimitt tumhare man men ichchha aur kam, donon baton ke karane ka prabhav dala haai.

<sup>14</sup> sab kam bina kudkudaae aur bina vivad ke kiya karo.

<sup>15</sup> taaki tum nirdosh aur bhole hokar tteddhe aur hatteele logon ke beech parameshvar ke nishkalank santan bane raho, jin ke beech men tum jeevan ka vachan liae huae jagat men jalate deepakon kee nain dikhai dete ho.

<sup>16</sup> ki maseeh ke din mujhe ghamand karane ka karan ho, ki n mera daudna aur n mera paarishram karana vyarth hua.

<sup>17</sup> aur yaadi mujhe tumhare vishvas ke balidan aur seva ke sath apana lohoo bhee bahana pade taubhee maain anandait hoo, aur tum sab ke sath anand karata hoon.

<sup>18</sup> vaaise hee tum bhee anandait ho, aur mere sath anand karo..

<sup>19</sup> mujhe prabhu yeeshu men asha haai, ki maain teemuthaiyus ko tumhare pas turant bhejoonga, taki tumharee dasa sunakar mujhe shaantai mile.

<sup>20</sup> kyonaki mere pas aeese svabhav ka koi nahee, jo shuuddh man se tumharee chinta kare.

<sup>21</sup> kyonaki sab apane svarth kee khoj men rahate haai, n ki yeeshu maseeh kee.

<sup>22</sup> par usako to tum ne parakha aur jan bhee liya haai, ki jaaisa putra pita ke sath karata haai, vaaisa hee us ne susamachar ke faailane men mere sath paarishram kiya.

<sup>23</sup> so mujhe asha haai, ki jyon hee mujhe jan padega ki meree kya dasa hogee, tyon hee maain use turant bhej doonga.

<sup>24</sup> aur mujhe prabhu men bhrosa haai, ki maain ap bhee shaeegha aunga.

<sup>25</sup> par maain ne ipadeetus ko jo mera bhai, aur sahakarmee aur sangee yoddha aur tumhara doot, aur avashyak baton men meree seva tthal karanevala haai, tumhare pas bhejana avashy samajha.

<sup>26</sup> kyonaki usaka man tum sab men laga hua tha, is karan vah vyakul rahata tha kyonaki tum ne us kee beemaree ka hal suna tha.

<sup>27</sup> aur nishchay vah beemar to ho gaya tha, yahan tak ki marane par tha, parantu parameshvar ne us par daya kee aur keval us hee par nahee, par mujh par bhee, ki mujhe shaek par shaek n ho.

<sup>28</sup> isaliye maain ne use bhejane ka aur bhee yatn kiya ki tum us se fir bhentt karake anandait ho jao aur mera shaek ghatt jaae.

<sup>29</sup> isaliye tum prabhu men us se bahut anand ke sath bhentt karana, aur aeeson ka adar kiya karana.

<sup>30</sup> kyonaki vahee maseeh ke kam ke liye apane praanon par jokhaim uttakar marane ke nikatt ho gaya tha, taki jo ghattee tumharee or se meree seva men hui, use poora kare..

## ADHYĀYA 3

- n**idan, he mere bhaiyo, prabhu men anaandait raho: ve hee baten tum ko bar bar likhne men mujhe to koi kasht naheen hota, aur is men tumharee kushalata haai.
- <sup>2</sup> kuton se chaukas raho, un bure kam karanevalon se chaukas raho, un katt koott karanevalon se chaukas raho.
- <sup>3</sup> kyonaki khtanavale to ham hee haain jo parameshvar ke atma kee aguvai se upasana karate haai, aur maseeh yeeshu par ghamand karate haain aur shareer par bhrosa naheen rakhte.
- <sup>4</sup> par maain to shareer par bhee bhrosa rakh sakata hoon yadi kisee aur ko shareer par bhrosa rakhne ka vichar ho, to maain us se bhee baddhkar rakh sakata hoon.
- <sup>5</sup> attven din mera khtana hua, israael ke vansha, aur binyameen ke gotra ka hoon ibraaniyon ka ibraanee hoon vyavastha ke vishay men yaadi kaho to fareesee hoon.
- <sup>6</sup> utsah ke vishay men yaadi kaho to kaleesiya ka satanevala aur vyavastha kee dhaarmikata ke vishay men yaadi kaho to nirdosh tha.
- <sup>7</sup> parantu jo jo baten mere labh kee thee, unheen ko maain ne maseeh ke karan haani samajh liya haai.
- <sup>8</sup> baran maain apane prabhu maseeh yeeshu kee pahichan ke uttmata ke karan sab baton ko hani samajhta hoon: jis ke karan maain ne sab vastuon kee haani uttai, aur unhen kooda samajhta hoo, jis se maain maseeh ko praapt karoon.
- <sup>9</sup> aur us men paya jaun n ki apanee us dhaarmikata ke sat, jo vyavastha se haai, baran us dhaarmikata ke sath jo maseeh par vishvas karane ke karan haai, aur parameshvar kee or se vishvas karane par milatee haai.
- <sup>10</sup> aur maain usako aur usake mratyunjay kee samarth ko, aur usake sath dukhon men sahabhagee hane ke marma ko jano, aur us kee mratyu kee samanata ko praapt karoon.
- <sup>11</sup> taaki maain kisee bhee reeati se mare huon men se jee uttne ke pad tak pahunchoon.
- <sup>12</sup> yah matalab nahee, ki maain pa chuka hoo, ya siddh ho chuka hoon: par us padarth ko pakadne ke liye dauda chala jata hoo, jis ke liye maseeh yeeshu ne mujhe pakada tha.
- <sup>13</sup> he bhaiyo, merree bhavana yah naheen ki maain pakad chuka hoon: parantu keval yah aek kam karata hoo, ki jo baten peechhe rah gai haain un ko bool kar, age kee baton kee or baddhta hua.
- <sup>14</sup> nishaane kee or dauda chala jata hoo, taki vah inam pau, jis ke liye parameshvar ne mujhe maseeh yeeshu men upar bulaya haai.
- <sup>15</sup> so ham men se jitane siddh haai, yahee vichar rakhe, aur yadi kisee bat men tumhara aur hee vichar ho to parameshvar use bhee tum par pragatt kar dega.
- <sup>16</sup> so jahan tak ham pahuncha haai, usee ke anusaar chalen..
- <sup>17</sup> he bhaiyo, tum sab milakar merree see chal chalo, aur unhen pahichan rakho, jo is reeti par chalute haain jis ka udaharan tum ham men pate ho.
- <sup>18</sup> kyonaki bahutere aeesee chal chalute haai, jin kee charcha maain ne tum se bar bar kiya haai aur ab bhee ro rokar kahata hoo, ki ve apanee chalachalan se maseeh ke kroos ke baaree haain.
- <sup>19</sup> un ka ant vinash haai, un ka ishvar pett haai, ve apanee lajja kee baton par ghamand karate haai, aur prathvee ke vastuon par man lagaae rahate haain.
- <sup>20</sup> par hamara svadesh svarga par haai aur ham par uddharakarta prabhu yeeshu maseeh ke vahan se an hee batt joh rahe haain.

<sup>21</sup> vah apanee shaaktai ke us prabhav ke anusar jis ke dara vah sab vastuon ko apane vash men kar sakata haai, hamaree deena-heen deh ka roop badalakar, apanee maahima kee deh ke anukool bana dega..

<sup>10</sup> maain prabhu men bahut anaandait hoon ki ab itane dinon ke bad tumhara vichar mere vishay men fir jagrat hua haai nishchay tumhen arambh men bhee is ka vichar tha, par tumhen avasar n mila.

<sup>11</sup> yah naheen ki maain apanee ghattee ke karan yah kahata hoon kyonaki maain ne yah seekha haai ki jis dasa men hoo, usee men santosh karoon.

<sup>12</sup> maain deen hona bhee janata hoon aur baddhna bhee janata hoon: har aek bat aur sab dashaaon men trapt hona, bookha rahana, aur baddhna-ghattna seekha haai.

<sup>13</sup> jo mujhe samarth deta haai us men maain sab kuchh kar sakata hoon.

<sup>14</sup> taubhee tum ne bhla kiya, ki mere klesh men mere sahabhagee huae.

<sup>15</sup> aur he filippaiyo, tum ap bhee janate ho, ki susamachar prachar ke arambh men jab maain ne maakiduaneya se kooch kiya tab tumhen chhod aur kisee mandlee ne lene dene ke vishay men merree sahayata naheen kee.

<sup>16</sup> isee prakar jab maain thaissaluneeke men tha tab bhee tum ne merree ghattee pooree karane ke liye aek bar kya baran do bar kuchh bheja tha.

<sup>17</sup> yah naheen ki maain dan chahata hoon parantu maain aeesa fal chahata hoo, jo tumhare labh ke liye baddhta jaae.

<sup>18</sup> mere pas sab kuchh haai, baran bahutayat se bhee haai: jo vastuen tum ne ipaudeetus ke hath se bhejee theen unhen pakar maain trapt ho gaya hoo, vah to sugandha aur

grahan karane ke yogy baalidan haai, jo parameshvar ko bhata haai.

**19** aur mera paramashevar bhee apane us dhan ke anusar jo mahima saahit maseeh yeeshu men haai tumharee har aek ghattee ko pooree karega.
